

# Symbol Key

## Benefits

Butterfly

Bee

Bird

Cut flower

Hummingbird

Rain garden

## Resistance

Deer

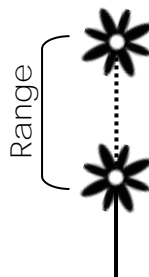

Rabbit

Deer & rabbit

## Height

## Soil Moisture

Wet

Saturated  
year round

Wet Mesic

Seasonally  
saturated,  
tends to dry in  
summer

Mesic

Medium  
moisture, well-  
balanced

Dry Mesic

Well-drained

Dry

Excessively  
drained
